## ABSTRACT

The "**SpendWiz – Expense Tracker**" aims to simplify the management of personal finances. The primary goal of this application is to provide users with a streamlined and intuitive interface for tracking daily expenses, budgeting, and financial planning. The app features functionalities such as expense categorization, budget setting, visual financial summaries, and real-time synchronization across multiple devices. Key components include a robust back-end system for secure data storage and retrieval, a dynamic front-end interface for user interactions, and seamless integration with external financial services for enhanced functionality.

## ACKNOWLEDGEMENT

On presenting the Mini – Project report on “**SpendWiz – Expense Tracker**”, we feel great to express our humble feelings of thanks to all those who have helped us directly or indirectly in the successful completion of the project work.

We would like to thank our respected guide **Mr. Chakrapani.D.S**, Assistant Professor, Dept. of CS&E, and Mini Project in charge **Dr. Sankhya N Nayak**, Associate Professor, Dept. of CS&E who have helped us a lot in completing this task, for their continuous encouragement and guidance throughout the project work.

We would like to thank, **Dr. Jalesh Kumar**, Professor and Head, Dept. of CS&E, JNNCE, Shivamogga and **Dr. Y Vijay Kumar**, Principal, JNNCE, Shivamogga for all their support and encouragement.

We are grateful to the Department of Computer Science and Engineering and our institution Jawaharlal Nehru New College of Engineering for imparting us the knowledge with which we can do our best.

Finally, We also would like to thank the whole teaching and non-teaching staff of the Computer Science and Engineering Dept.

Thanking you all,

Abhishek KS	4JN21CS006
